## Director - Sabrina Pinion

A native of Wilmington North Carolina, Sabrina called Georgia home for over 25 years, now she resides with her husband Christian and their family of fur babies, in Hawaii.

Sabrina has had a multifaceted career which includes modeling, pageantry, dance and fitness. She is the owner of *Transcontinental Pageants* as well as *Pageant Pros LLC* consultants and *Designing Faces* makeup on location.

Growing up in a difficult and challenging home environment, Sabrina feels fortunate to have had mentors in her life that unknowingly made invaluable

investments in her character and her future.

Sabrina entered her first pageant at the age of 13, and never looked back! She truly believes that her experiences in pageants have played a crucial role in many of the successes in her life. She captured the *Mrs. Universe 2014 Ltd.* title in Kuala Lumpur Malaysia, becoming the first woman from the United States to do so.

Having a diverse background both professionally and personally, Sabrina feels she can identify with the tough situations in life that we all experience. She was raised in a home plagued by violence at the hands of an alcoholic father, left her family home at 14 and lived with a wonderful foster family. She went on to have a successful career in modeling, pageants and dance.

At the age of 32, Sabrina was suddenly widowed after a tragic accident that took her husband's life. She believes that *"Pain is inevitable suffering optional"* so through her pain, she found strength in sharing her story to encourage others. After becoming *Mrs. Universe Ltd. 2014* Sabrina was compelled to create, *The Pledge Campaign – Against Domestic Violence* (which is a registered 501C3 organization). *"The Pledge"* is a campaign geared toward giving men of all age's value in the fight against domestic abuse. "Survivors need to know there are good men out there and be reminded that not all men have the propensity for violence". *"The Pledge" – which encourages men to STAND UP and SPEAK OUT against domestic abuse* also includes: *"The Pet Pledge – Pledge to do no harm; to protect"*, *"Her Pledge" – women pledging to take responsibility for which they allow to love them.* *"Kids Pledge"– which utilizes activities and stories that focus on kids understanding the power of words.*

Founding the *Transcontinental Pageants* system will assist in raising funds for shelters in local communities. Each *TCP* title holder becomes an Ambassador for The Pledge Campaign and helps to share its message with their states and countries.

A youth development professional for "Celebrate Life International" and a mentor for "Teach One to Lead One" (character building leadership program for elementary children and teens) Sabrina feels fortunate to invest, hands on in the lives of at-risk kids that others have given up on. Giving at-risk children and teens value through mentoring is critical to their sense of well-being *and success on their own terms!*

*To those whom much IS given, much is required.*  
*"Do NOT Allow Your Past to Determine Your Destiny"*

A heartfelt thank you to so many who continue to graciously donate time, money and effort into our annual International event.

MRS. UNIVERSE NORTH AMERICA 2022

I am thankful for a wonderful year supporting a great cause and changing lives by encouraging my sorority sisters to take "The Pledge Against Domestic Violence".

*It's hard to believe that my year as Mrs. USA Universe Ltd. has already come to a close. It feels like only moments ago when my name was called and the crown was placed on my head. I was overcome with a sense of relief that for the first time in my 49 years of life, I truly felt seen and appreciated as I am. Just me. Shannon.*

*I want to thank so many people. I certainly cannot list everyone here that has touched my life and supported me.*

*Let me start by thanking my friend, mentor and coach Suzy Bootz. Without you, Suzy, I would have never known about the depth of the Transcontinental pageant system and The Pledge Campaign Against Domestic Violence and Abuse. A cause that is my life and not me trying to fit my life in to a cause just to pursue a crown. You saw me. Honoring your "God Whispers" and sharing with me that day changed my life for the better in countless ways. I'm forever grateful for you. The moment you crowned me is a moment I'll cherish always.*

*To my husband, Michael. Thank you for your never ending support and belief in me. I am very aware of how blessed I am to have you by my side.*

*My precious girl, Aras. You'll never know the strength you give me to fight through the doubt and believe in myself. You're wise beyond your years and I treasure every moment with you. "Why wouldn't you do it Mom? It's a God thing." I'll never forget your words.*

*Kaiser, your smile says it all. Your words that will stay with me always, "I'm proud of you." I'm so very proud of you. Every day. Maximus, you're my sweetest boy and I love you dearly.*

*I also want to thank a few of my friends that are my chosen family, Brandy, Erin, Sadie, Alicea, Melanie, Jennifer Purvis, Ansley - Thank you for your prayers, love and support through this journey.*

*To my pageant Sisters, it has been an honor from the moment we met and throughout this year to serve with you. You are all amazing Women and I'm so very proud to know you. I pray for nothing but a life full of joy and answered prayers for you all.*

*I certainly will take a moment to thank Sabrina Pinion. Thank you, from the center of my soul for creating Transcontinental Pageants. You truly define "Beauty That Inspires" to me. Your grace, poise, strength, integrity, honesty, and certainly beauty both inside and out have made you someone I admire but also choose to call friend for a lifetime. God bless you and all your efforts. You are leaving a legacy for so many women to empower and help the children and women of this world to claim their power and overcome the many faces of Domestic Violence.*

*To my incredible sponsors. You kept me looking and feeling like a Queen this entire year. Your generous hearts have allowed me to serve my title well. I'll be singing your praises always.*

*Finally, to the next Mrs. USA Universe. Ltd. Welcome to the Sisterhood! I pray that your year is full of opportunity, purpose, and growth and that you know how valued and cherished you are. The work that you will do for The Pledge Campaign Against Domestic Violence and Abuse is invaluable. I will always have your back and be a loud voice next to yours.*

*As always, my prayer for you is that you'll get off the side lines of life and live A King Size Life....You only get one!*

2 Corinthians 4:6

As my tenure as Ms. Transcontinental 2022 reaches its ending, I look back upon it with gratitude and satisfaction. It seems like just moments ago that I was enjoying Pageant Week, meeting my inspiring fellow pageant delegates, laughing, exploring places, meeting with sponsors, giving gifts to the children at Friend's House Inc. and talking to them about The Pledge Campaign, and participating in rehearsals. Everyone was so helpful to each other, and we bonded in friendship and camaraderie. The big night arrived, and all of us were ready to give it our all. The first event of the evening was our costumes, which were a delight to admire. The uniqueness of everyone's culture graced the stage, and it was awe-inspiring. The next event was swimsuits, which I am sure made the nervous factor in all of the contestants accelerate. Finally, it was time to display our evening gowns, as yards of colorful and glittery material wafted across the stage. Then the big moment arrived when the new titleholders were going to be crowned. I heard my name and I remember taking a quick opportunity to capture that moment in my memory. I moved to the front of the stage to receive my crown, and it was a magical night I will always cherish!

My gratitude for the gift of their experience and for putting on an amazing pageant goes to Director: Sabrina Pinion and Delegate Coordinator: DeAnna Emborski. I'd also like to thank Lesha Frey, Paul Marcus, and judges: Hollie Hunt-Hixon, Janet Hunt, Rebecca Harris, and Kristy Lindstrom. Thank you, McDonough, Georgia, for hosting us, and thank you to Hilton Garden Inn at Atlanta South-McDonough for your warm hospitality.

Thank you, Friend's House Inc., for graciously allowing us into your facility. Your care and dedication to the children housed with you are outstanding.

I want to give a special thanks to Premier by Dead Sea Premier for gifting us such amazing products... that I love!

I also want to express my deep gratitude to the official sponsors, The Oh! The Opera House in Griffin, GA; Southern Events; and Re/Max Southern.

To my family - thank you for your continuous support and love. You are the foundation of my life.

I would like to say to the new contestants that I am proud to be a part of your experience. The spirit of this pageant is indispensable and influences the recovery of abuse victims. I wish you all the best as I leave my title in capable hands.

All my love, ~ Rene

*"I am not here by chance!"*

I knew Transcontinental Pageants was where I belonged in continuing to serve a cause that had been a part of my journey and heartfelt destiny for many years.

Supporting victims, and serving the community in one form or another isn't all pageantry, sparkles, parades, and crowns. It's the deepest darkest and saddest places where domestic abuse festers and victims struggle. It is getting out there and doing the work that the title and the Transcontinental system represents. As survivors, there's someone who needs to hear our stories. In facing the darkness, we share the light. When we humble ourselves, and open our hearts, we help others heal. Our life given purpose is to be that light.

I am grateful to our Heavenly Father for blessing me with this opportunity and for giving me strength, fortitude, forgiveness, peace, and purpose. Without His grace and mercy, I wouldn't be here.

Thank you to Sabrina Pinion and TCP for the fortuity to stand beside you, speaking out. Because of you, we have an international platform that resonates with each of our own individual stories of triumph.

My life has been greatly enriched by this opportunity and by the many individuals who have been instrumental along the way. Thank you to my amazing sponsors who have supported my efforts in representing The Pledge Campaign Against Domestic Abuse. I have the deepest gratitude for you all.

To my friends and family, I love you more than I can say. To all of my amazing Beauty That Inspires sash sisters, I am honored and thrilled to have shared this incredible year with each of you. But how do you say farewell to a system that has helped propel every effort you've worked towards in supporting victims of Domestic Abuse? You don't....You keep working.

There is great power in overcoming.

There is great power in your voice!

Well, what can I say?  
**Did this just happen??**

Wow, a year has passed already and what an awesome year this has been! A year filled with fun and adventure, laughter and tears and great triumph! I was afforded the opportunity to do some things that I absolutely love to do - helping people and meeting new challenges! I started out on this journey to gain a greater voice for causes that I believe in and I must say, goal accomplished!

Sometimes it's not all about what you say, but about how you say it and about being present! I learned that you cannot change everyone's mind, but what you can do is be a positive influence by shedding light on your cause, create a greater awareness by being present and no matter what, continue the fight knowing that change will come!

There are so many people to thank for this incredible journey. I have taken your love and prayers with me everywhere I have gone and used it on the days that I felt down or needed strength! I never took for granted those that were praying for me! God bless each and every one of you!

To my Lord and Savior Jesus Christ, thank you for placing this crown upon my head! I pray that I have made you proud!

“BEAUTY THAT INSPIRES”

As my reign as your inaugural Mrs. Classic Universe TCP 2022 comes to an end, I reflect on all of the incredible memories, blessings and opportunities being a part of the Transcontinental Pageants sisterhood has afforded me.

I cannot begin to properly thank everyone who has been on this journey with me, but I know without each and every person who has supported, loved and encouraged me along the way that I would never be the woman I am and been able to represent myself and the crown the best way I knew how!

The last 5 years with the TCP family has been an unbelievable journey that I would have never imagined possible. I had no idea that I would have had the honor of being Mrs. North America Transcontinental, be crowned Mrs. Universe North America 2018, go to Mrs. Universe Ltd. in Cebu, Philippines and then have the incredible honor of being crowned the inaugural Mrs. Classic Universe TCP 2022! I am forever humbled, honored and grateful to TCP owner and director; Sabrina Pinion for your friendship, directorship, love and trust in me, not only as your friend and volunteer but with the representation of your brand. I hope that I have brought honor, grace, dignity and purpose to the TCP titles that I have represented with pride. To my children and grand-children (who keep growing in both size and numbers by the day) I am so blessed and proud to be your Mom and Gramma. You all are incredible humans and I hope that the world brings you as many blessings as you bring to me every day! My “super hero” husband... you have gone from being a somewhat frightened “newbie” pageant husband to a certified PRO! You have always encouraged, supported, embraced and tolerated (LOL) my pageant opportunities and duties and have never once complained! You give me so much love, strength and tenacity to continue to follow my dreams, lead with my heart and to educate and help the world with my message, I love you eternally and am so thankful every day to be your wife and go through life side by side with you!

The incredible people, from all over the world, that I have had the pleasure of meeting, talking to and working with promoting the messages of Victory Over Violence and The Pledge Campaign has reinforced my belief that love, kindness and compassion doesn't mean you need to speak their language; you just need to be a good human and understand when others are in need...and want to lend a hand.

To my successor... you will be welcomed into our TCP sisterhood with all the love, respect and support we can give! You have been bestowed a great honor and I know that as a true TCP Queen, you will continue to change the world! I can't wait to see the amazing things you do!

MRS. TRANSCONTINENTAL 2022  
UKRAINE

*One person cannot change the world. But each one of us, by developing ourselves and sharing - can try. Ideas, experience, a positive outlook can help change other people surrounding us. Others around us can change the next ones and consequently it can lead to a change in the country and the world. I wanted to be that catalyst of change and participating at Beauty Pageants help me with that.*

*I had such an amazing 2021 year attending and getting 2<sup>nd</sup> runner up at Ukraine Beauty Pageant and winning 2020 Mrs. Transcontinental pageant here in Atlanta, GA. Attending a week-lasting program of the Beauty Pageant in USA, gave me forever lasting positive emotions, beautiful connections, and very solid experience that I am thankful for.*

*But 2022 has a different lesson to go through.*

*Honestly, I never thought that I would be resilient enough to survive war. Yet here I am. Our cities decimated, our friends killed, our family torn because our men have to stay inside while we flee to protect our children. Life is not supposed to be this way, yet it is.*

*Believe me I speak for all displaced Ukrainians, we never thought it would come down to this, and hopefully humanity learns from it, and we never have to repeat the same scenario again.*

*Now is the time to stand up, be counted and make the life choice not only for our own future.*

*For those who had to leave the country like me and trying to support our Ukraine being temporary abroad, here is the great quote that drives me.*

*“Resilience is accepting your new reality, even if it’s less good than the one you had before.*

*You can fight it, you can do nothing but scream about what you’ve lost, or you can accept that and try to put together something that’s good.”*

*Let’s get United, let’s do better in opening our hearts and souls to be more human-kind, and stop wars forever.*

*Beauty Pageant experience did bring me a lot of confidence, lots of needed personal-growth experience, many wise and trusted connections and I am very thankful for that.*

*Events like these create more love, more beauty and kindness in our World, and I am so lucky I had a chance to be part of it. And its life lasting pleasant emotional taste.*

*I wish every single contestant to enjoy the process fully, its remarkable. And I can personally state that attending the Beauty Pageants positively and wisely impacts life.*

*Deep gratitude for Sabrina Pinion, DeAnne Emborski and every single person involved in this project. We together change the World into a better One, with celebrating the inside and outside Beauty of every participant.*

*“Happy people are those who managed to understand that life and happiness are synonymous”*

*I have learned in my life that oftentimes God says "yes" in the most unexpected ways. Being honored with the title of Mrs. Universe TCP 2022 and carrying the first inaugural title has been a blessing beyond words.*

*Thank you so much to Sabrina Pinion for this incredible opportunity and for having the passion and love for empowering women and families around the world through The Pledge Campaign and the TCP Pageants. God blessed me in so many ways when I met you and I am truly grateful to call you my Director and my friend.*

*To my beautiful pageant sisters, you are some of the most remarkable women I have ever had the privilege to meet! Your love for your cause and your beauty from your soul shines beyond what any crowns can ever give you. Thank you for sharing your devotion, your hopes, and your dreams.*

*To all of the beautiful contestants competing and to the next Mrs. Universe TCP, my prayer for you is that you continue sharing your light and honoring your God whispers. Never doubt the dreams and visions God places in your heart. They are real and are gentle reminders that we never walk alone. Trust them, create them, and give all glory to God for them.*

*Gary Lee Price and Leesa Clark-Price have dedicated their lives to the vision and completion of the Statue of Responsibility. Together, and separately, they are committed to uniting all of humanity. They have a firm belief that if you can accomplish your dream within your lifetime, your dream is not big enough. Gary has a deep-seated affection for world peace. At the tender age of 6, he endured what many of us could not. As a little boy, he witnessed the unexpected and tragic loss of his parents and then became a victim of child abuse. Like Gary, Leesa was also faced with incredible adversity at a young age. She was widowed through suicide at the age of 26. She was left to raise four very young children, the youngest was only six months old. She knew it would be difficult but also knew she was up to the task. One of the most significant moments in Gary's artistic life happened when he was chosen by Dr. Stephen R. Covey to create the 300-foot Statue of Responsibility, a project envisioned by Dr. Viktor E. Frankl. Frankl, renowned author of the book "Man's Search for Meaning" shared his vision, to bookend the East Coast's Statue of Liberty with a West Coast Statue of Responsibility. Leesa forged a very respected name in the real estate industry, selling well over \$300M in real estate during her successful career as an agent/Broker. She served in many leadership positions within this industry and further developed her leadership skills. As an advocate of women's rights, she started knocking down the glass ceiling, setting an example for those who followed. Her supreme ability as a first-rate salesperson catapulted her into an elite professional environment where her love of people positioned her in ways that she had never dreamed of. Leesa has now become a key player in the rise of the Statue of Responsibility, she currently serves as the Sr. VP for the organizations 501(c)3. Leesa is a motivational speaker, speaking to groups around the world. She currently also serves as a life coach and finds great joy in facilitating women's retreats, family retreats and business retreats, most of which are held in the sacred space of her tipi on Gary and Leesa's property. Leesa Clark-Price is also an artist, author, entrepreneur and most importantly a Grandmother. Gary Lee Price and his wife Leesa Clark-Price currently live in Arizona. Together they have 9 children and 16 grandchildren.*
